1. Background

25X1 a. As noted in your 5 April 1978 memorandum (Attachment),

25X1 [REDACTED]

b. The DCI recently reviewed the ASAT treaty monitoring

changes in the next draft and noted that "we will then have to
put a dollar tag beside each of these improvements."

2. Request

[REDACTED] 25X1

b. Please provide me with programmatic information (i.e.,
aggregate cost and IOC) that can be included in the next version
of the report to respond to the DCI's request. The SCC Working

with similar information to be obtained from DoD, which is needed
by 17 May.
